SUBJECT: WELCOME TO MIDDLESEX TOWNSHIP!

On behalf of the Board of Supervisors for Middlesex Township, I would like to welcome you as a resident and fellow citizen to the Township of Middlesex. A Township of the Second Class established in the late 1700's, Middlesex is characterized by its rural-residential atmosphere, conservatism, and controlled growth patterns. We're glad you chose Middlesex to make your home. We believe you will find this Township to be an enjoyable community in which to live.

In order to assist you in becoming familiar with your new community, we have provided a list of informative items. We hope these basic comments will be useful to you. The Township's website, www.middlesextownship.org, is also a source of information regarding township events, meetings, and other topics of general information.

The Township staff invites you to become a self-reliant part of our community. If you have any questions, feel free to contact the Township office. It is our pleasure to serve you.
